

2026 JUVENILE APPOINTMENT LIST ORIENTATION SESSIONS

Local Juvenile Rule 4.2(B)(3) requires all attorneys seeking placement on a Juvenile Court Appointed List to attend a general orientation session before becoming eligible for placement on the lists.

Attorneys seeking placement on List 7a (Family Recovery Court) and/or List 7b (Juvenile Recovery Court), must also attend an orientation session specific to the Franklin County Specialized Docket Programs.

Both the general and specialized docket orientation sessions are primarily conducted via Zoom and are offered quarterly.

The general orientation covers the requirements for submitting fee bills and provides an overview of the rules, procedures, and other requirements applicable to each Juvenile Court Appointed List.

The specialized docket orientation provides an overview of the processes and operation of the Franklin County Family Recovery Court and Juvenile Recover Court for attorneys seeking placement on Lists 7a and 7b.
